## BILL'S CHAIR & CARVER

Taking cues from English antiques, our versatile Bill's chair blends elegance with a touch of folk tradition. Our Bill's Carver complements the Bill's Chair, featuring slender arms with a turned detail.

## OLD NICKS BAMBOO CHEST

Inspired by an antique the Cox children grew up with—and their father Nick's all-time favourite find—this piece is crafted from wood and adorned with bamboo detailing.

Its charm lies in the unique patina, where skillfully rubbed-back paintwork and hand-finishing techniques create a distinct character.

## BAMBOO WARDROBE

Wardrobes are hard to come by, and combined with our love of bamboo, we had to create one for our collection. This fun furniture is ideal for guest bedrooms, children's bedrooms, or even entrance halls for hanging coats.

Inside, it features contrast paint, a rail for hanging, and a drawer lined with charming ticking wallpaper.

## BAMBOO TRAYS

We designed the Bamboo Tray with ottomans in mind, envisioning a decorative tray that adds a layer of style, a pop of colour, and a space to display treasured collections, books, and candles.

It has beautiful bamboo detailing and is finished with our bespoke antique brass bamboo handles. The hand-painted finishes complement most schemes.

## BIG RUFUS

The Big Rufus is a fresh take on our Rufus Occasional Table, reimagined as a writing desk with a drawer and removable storage caddy. While designed for a study, it also works beautifully as a dressing table or, in a larger space, as a console.

It features a rustic wooden top, a distressed painted finish, hand-carved feet, and scalloped detailing, full of charm and folksy fun.

## THE SPOOL COFFEE TABLE

We've long admired antique spool furniture, and this design is a thoughtful reimagining of that classic turned spindle style. Elegant yet substantial, it draws inspiration from the past while feeling perfectly suited to today.

A natural extension of our popular Spool Vanity, it is generously proportioned and designed with practicality in mind, featuring a useful lower shelf for extra storage.

## HARRISON TABLE

Our Harrison Table family consists of two sizes, The Harrison Bedside Table, and The Mini Harrison. Classically elegant and generously sized, they both feature a reeded drawer front with an ornamental lock and beautifully tapered legs. Unfussy yet refined, they bring quiet character to any space and are sure to remain a lasting favourite.

Equally at home as a bedside table or a side table in a sitting room, the Harrison suits both country settings and more tailored town-houses.

## BAMBOO CAFE CHAIR

Inspired by traditional bistro chairs, our version is more substantial in shape, softly raked, and exceptionally comfortable to sit in. Crafted with a woven rattan seat and backrest featuring a subtle decorative motif, the chair includes curved bamboo detailing throughout the frame.

Designed for indoor use, it works beautifully as an accent chair or pulled up to a table.

## THE SPOOL MIRROR

Continuing the story of our spool-inspired designs, the Spool Mirror reimagines classic turned spindle furniture. Elegant yet substantial, it's traditionally crafted using time-honoured techniques. Pair it with our Spool Vanity or hang it above a chest of drawers in a bedroom.

S.H

## THE ESTATE PENDANT

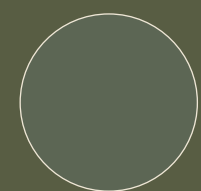

Our Estate Pendant Lamp continues the design story that our Estate Standing Lamp began. Inspired by the bouillotte lights of late 18th-century France, ours is handmade in England and features a hand-aged brass centre arm with three light points, complemented by a brass rod, chain, and ceiling rose.

Paired with a ruffled trim ticking shade, it's an inviting piece - perfect for a bedroom or hallway, and striking over a round dining table.

## THE FOLLY BEDSIDE TABLE

Part of our Folly Collection, this distinctive piece features trellis detailing on all four sides, complemented by a discreet drawer with an ornamental lock. The gently curved apron and raised back add playful touches, while bamboo-style legs reference traditional garden furniture. The design draws inspiration from 18th-century treillage, a longstanding influence for us.
