NINA'S STRIPE & PALM STRIPE

The debut collection by Nina Litchfield Studios is inspired by the symbolism of the palm tree — endurance, quiet strength, a sense of ease. It brings together two designs: Nina's Stripe, a timeless classic stripe, and Palm Stripe, a stripe woven with a palm motif. Both are available in four colourways, woven in Britain with a family-run weaving business in 100% cotton, and offered in primary colours designed to work with any interior scheme.

NINA'S STRIPE COLLECTION

Nina's Stripe is a celebration of one of design's most enduring motifs. A classic stripe, drawn in bold primary colourways which can also be reversed for a more muted look. It is timeless by nature, confident by choice.

PALM STRIPE COLLECTION

The palm tree has long been a symbol of endurance and quiet strength. It bends but does not break, it thrives across climates and continents. For Nina, it carries something more personal too; a connection to her Brazilian roots, to the warmth and ease of that landscape.
